Sign in with your company email

Same account as MMH Report Hub

- 1 Open manimedicalhanoi.github.io/MMH-CRM/ → enter your **@manimedicalhanoi.com** or **@mani.inc** email → **Send sign-in code**.
- 2 Open your mailbox, type the **6-digit code** → **Sign in**. The session lasts 30 days on that device.
- 3 The app opens your team (Dental / Surgical / Eyeless / Thailand Surgical) with the right access. The Thailand team sees everything in English.

Works even when Chrome is signed in to another Gmail account. No code? Check the **Junk / Spam** folder.

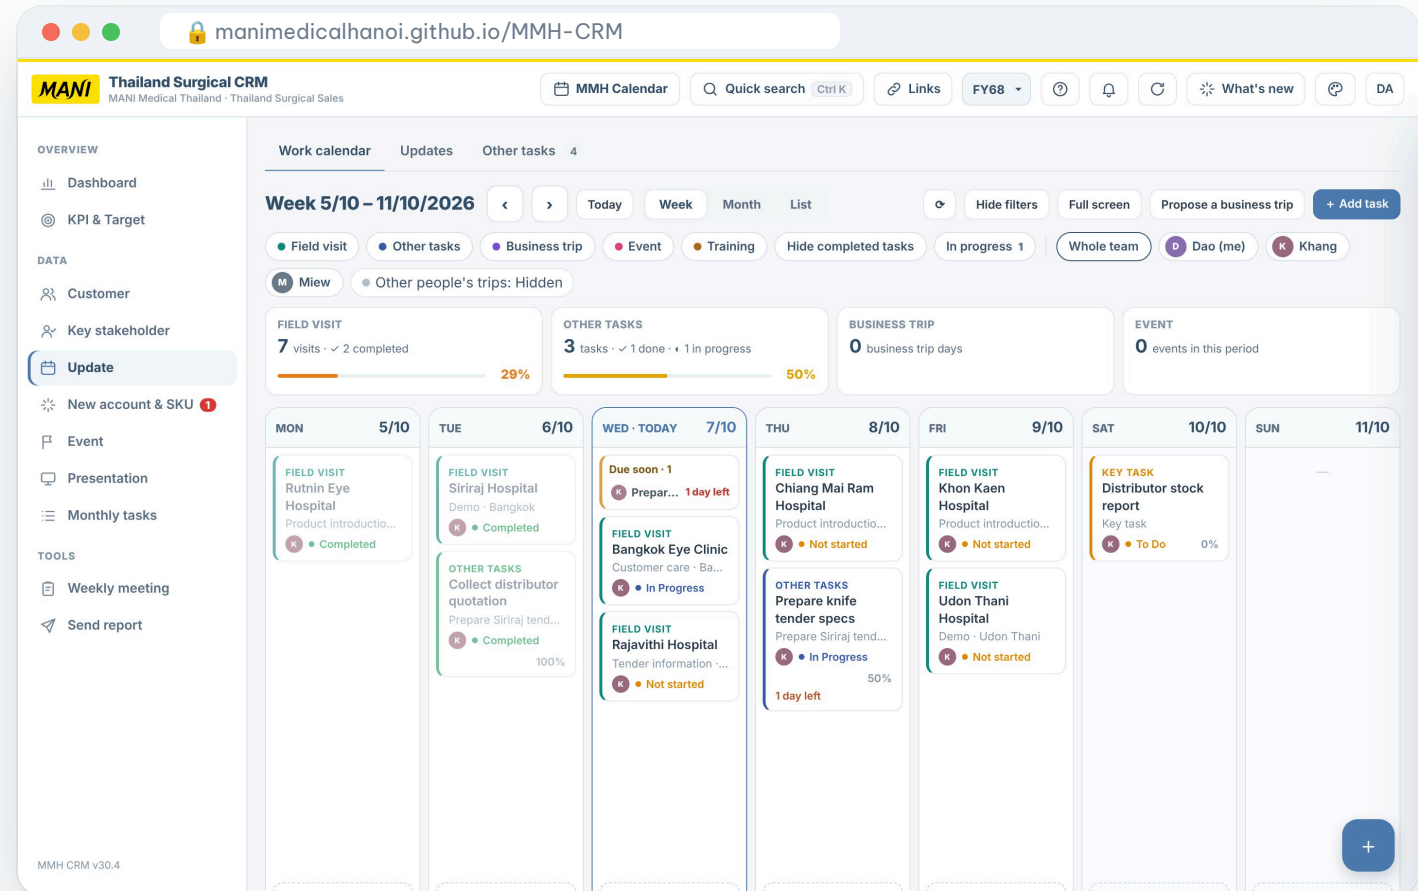

The screenshot shows the MMH CRM sign-in screen. At the top is the MANI logo and the text 'MMH CRM' and 'MANI Medical · Customer & KPI tracking'. Below this is the heading 'Sign in with your company email' followed by the instruction: 'Enter your email and we will send you a 6-digit code to confirm it is you. Same account as MMH Report Hub.' There is a text input field labeled 'Company email' containing the placeholder 'your.name@manimedicalhanoi.com'. Below the input field is a blue button labeled 'Send sign-in code'. Underneath the button, it says 'Use your @manimedicalhanoi.com or @mani.inc email.' At the bottom, there is a link: 'Can't sign in? Use your password as before (available until 31/10)'.

Main screen

The app opens on this week's Work calendar

- 1 Top bar:** MMH Calendar · Quick search (Ctrl + K) · Links · FY · What's new · colour theme · your name.
- 2 Side menu:** Dashboard, KPI & Targets, Customers, Key stakeholders, Updates, New accounts, Orders... Managers also get **Current group**.
- 3 Work calendar:** field visits · other tasks · business trips · training. Click a card to update it; click an empty day or + **Add task** to add one.

Card colour = task type; the small dot = status. Overdue tasks are grouped in the red button above the calendar.

Bottom bar · Today · + Quick add

Everything within thumb reach

- 1 Bottom bar: **Calendar** · **Customers** · **Today** · **New accounts** · **More** (all other functions, feed, colours, FY...).
- 2 **Today**: today's tasks, overdue and upcoming ones – the number on the button = tasks not done yet.
- 3 The floating + at the bottom right: add a Field visit · Other task · Business trip request.

The weekly calendar scrolls to today automatically; scroll up to see past days.

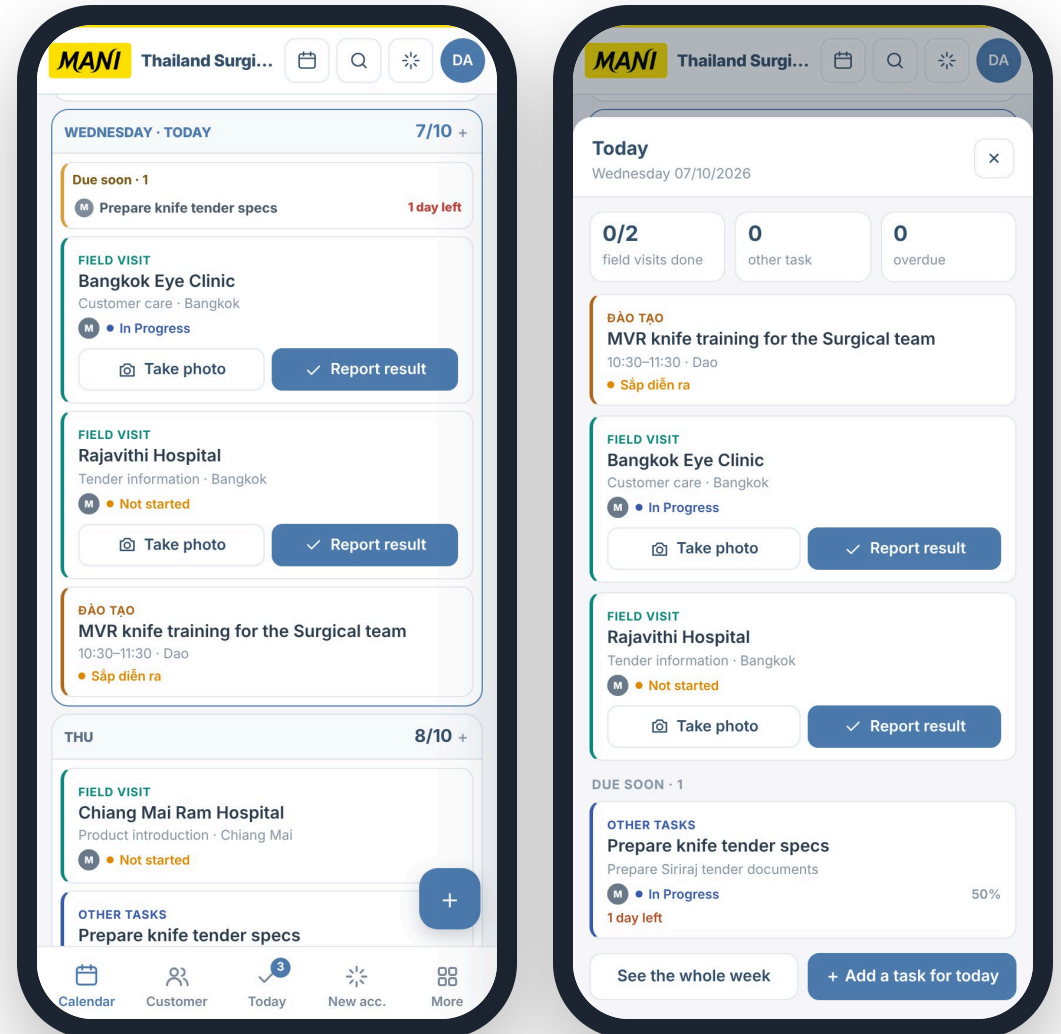

Photo & result in two taps

Today's open field-visit cards have two buttons

- 1 **Take photo** → opens the camera; GPS location and time are attached automatically.
- 2 **Report result** → the form opens with status **Completed**; fill in **Contact met** (CBC), the result, next action and customer feedback.
- 3 **Save to Sheet**: shown in the app immediately and saved to Google Sheet in the background (re-sent automatically on weak networks).

Visiting tasks require a photo taken on the spot – gallery photos are not accepted.

Add tasks & request business trips

Forms open instantly

- 1 Tap + (mobile) or + **Add task** (desktop) → **Field visit**, **Other task** or **Business trip request**.
- 2 **Business trip request**: dates, destinations, co-travellers, purpose, expected result, **estimated costs** (one line per item – Air ticket, Per diem, Hotel...), schedule, equipment → **Send proposal**. It is written to the Business Trip file and an approval email goes to your manager.
- 3 Approved trip: click the trip card ► **Trip report** → Key activities · Key findings · Follow-up → save (a Google Doc is created, the trip becomes Completed).

Customers & contacts

Search by name, code, province or PIC

- 1 Customers:** account list, filter by type / area / ADP group, Not met in FY, sort by sales.
- 2** Click an account → **360° profile:** visits, contacts (CBC), orders, sales.
- 3** + **New account** and **Contacts / event guests** (Key stakeholders) can be added right in the app.

On phones the list is shown as cards: name · type · province · PIC · number of activities.

New accounts & new SKUs

Record a new dealer / SKU with evidence and ask your manager to approve

- 1 + **Add a case** → choose the account, type (new account / new SKU), distributor and first order date.
- 2 Drop the evidence (photos, PDF) → **Send for approval** — your manager receives an email.
- 3 Only **Approved** cases count for the KPI. Filter by month / status at the top.

Your KPI and your team's

From the MMH KPI FY68 file · view only

- 1 Choose **Month / Quarter / FY**. Top tiles: KPI of the month, quarter to date, year to date, KPIs achieved.
- 2 Team leaders: the **Viewing KPI of** bar highlights the selected person; the comparison chart marks them (◀ viewing).
- 3 Details: weight, target, actual, % achieved. Sales not yet closed by accounting show **Not closed**.

Colours follow the KPI file: < 90% grey · 90–100% blue · 100–120% yellow · > 120% green.
